

Stefan Diskić

Date of Birth: 28.09.1998
Address: Crni Marko, Leskovac
Country: Serbia
Telephone Number: +381 (60) 5565144
Email: disko998@gmail.com

Education

2017 - 2018 **ITAcademy**, Beograd
Department: Software Development
Professional Title: CERTIFIED SOFTWARE DEVELOPER
Certificate number: 021791

2013 - 2017 **"Rade Metalac" Height School**, Leskovac
Department: IT
Professional Title: IT Engineer

Work Experience

2020, Mar. - In Process **Freelancer**, Leskovac
Position: Full-Stack Developer
Duties and Responsibilities:
- Creating fully-fledged apps for clients from the ground to production
- Building restful APIs
- Bug fixes, Redesign UI, Deploying (web, native) apps

2019, Maj. - 2020, Mar. **Convose**, Berlin
Position: React Native Developer
Duties and Responsibilities:
- Lead React Native Developer (iOS / Android)
- Collaborate UI/UX team to come up with unique designs
Convose is a small startup focus on "Convose" app (web/native) 1:1 chat application. As an RN developer, I worked on an ongoing project: adding new app features, bug fixes, etc.

2018, Nov. - 2019, Sep. **Coder Consulting International**, Berlin
Position: Full-Stack Developer
Duties and Responsibilities:
- Intern React Developer
- React Native Scrum Master
- Full-Stack developer (Meteor.js & React)
I started as an inter React developer at CC, where I go through workshops and the process of creating fully-fledged software projects. Then I advance myself towards native apps with React Native and build some startup projects there, meanwhile become an RN scrum master for a small team of newbies. In the end, I worked on full-stack React, Meteor.js apps for clients that we had at the time.
